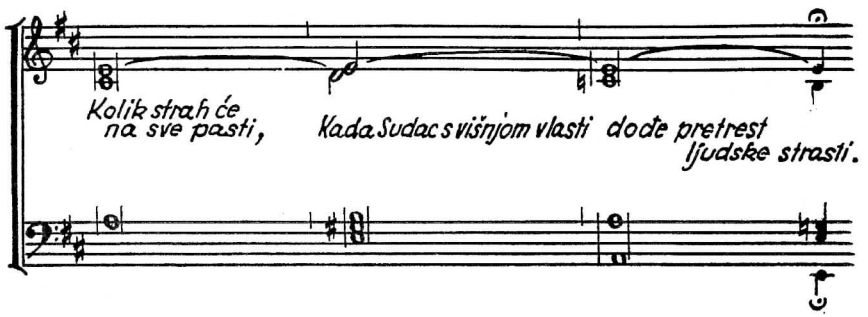
Recitativ



U dan onaj, u dan gnjeva
Ognjem svijet će sav da sijeva —
Sa Sibilom David pjeva.

Kolik strah će na sve pasti,
Kada Sudac s višnjom vlasti,
Dođe pretrest ljudske strasti!

S trublje čudan zvuk romoni,
U sva groblja budeć roni
I pred prijesto mrtve goni.

Smrt i narav zadivljene
Motre ljude oživljene
Na sud Božji sakupljene.

Otvara se knjiga jada,
Knjiga ljudskog grešnog rada,
Što će vagnut biti sada.

Kada Sudac sudit stane,
Sve će tajne biti znane,
Sve grehote pokarane.

Što ću jadan tada zborit?
Komu ću se zagovorit?
Gdje i dobre strah će morit?

Kralju strašne veličine,
Dajuć spas ko dar s visine
Spasi mene pun miline!

Sjeti se, o Spase mio,
Da si za me putnik bio,
Ne daj mi u paklu dio.

Ištući me trudan hoda,
Spasenje mi križem poda,
Zar da bude to bez ploda?

Višnji Suče, pravdo stroga,
Sagrješenja prosti mnoga
Prije dana osvetnoga.

Uzdišem ko krivac hudi,
Grijeh mi stidom lice rudi,
Dršćuć prosim: ne osudi!

Mariju si opravdao,
Raj zločincu obećao
Pa i meni nadu dao.

Molitva mi nema moći,
Al' ti blag si, ne daj poći
U plam vječni mojoj zloći.

K ovcama me svojim kreni,
Među jarad ne daj meni,
S desne strane mene djeni.

Kad potreseš grešnim svijetom,
Plamenu ga predaš kletom,
Zovni mene s vojskom svetom.

Molim u svoj sniženosti,
Srca puna skrušenosti:
Daj mi umrijet u milosti.

Avaj dana suza, straha,
Kada grešni stvor iz praha
Pođe k sudu posljednjemu!

Slatki Spase, prosti njemu,
Milo duše (tad) pogledaj,
Pokoj vječni njima (po)daj! Amen.
